### TechDen Zwolle

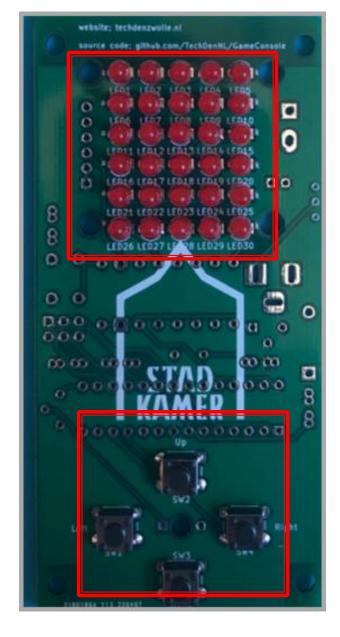

Workshop Solderen

Montage instructie Spel computer

# 1 – Leds & Buttons

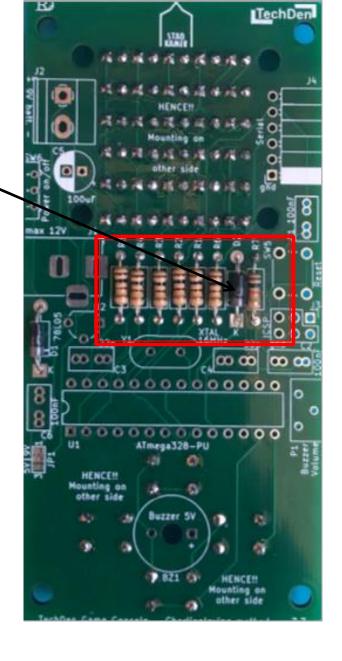

#### Voorzijde

2 – Weerstandjes

+ Diode

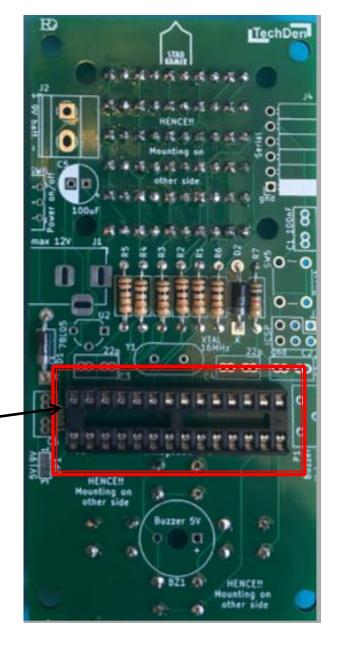

Let op Positie

# 3 – Chip voetje

### Achterzijde

Let op positie & Alle pinnen door de gaatjes

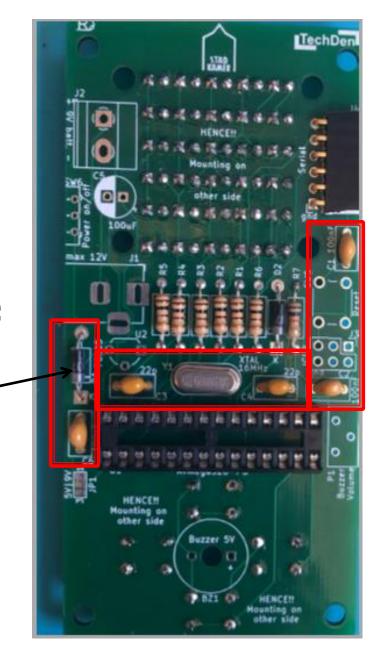

# 4 - Programmeer connector

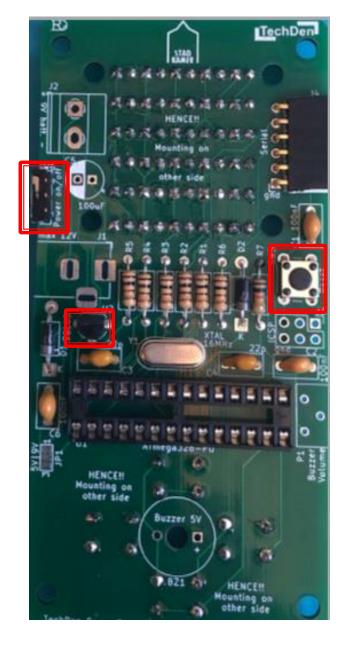

## 5 - Condensatoren, diode & Kristal

Achterzijde

Let op Positie

## 6 - Schakelaars & 5V Regulator

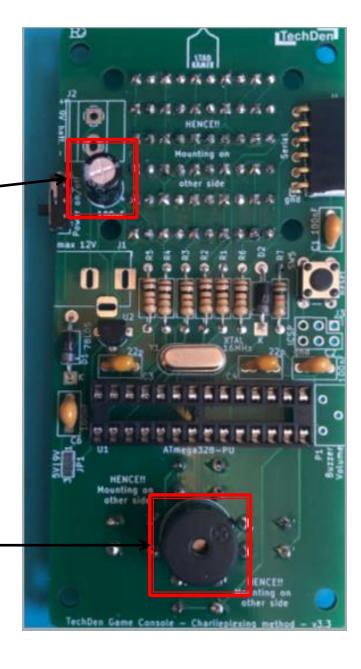

## 7 - Elco & Buzzer

*Let op polariteit* 

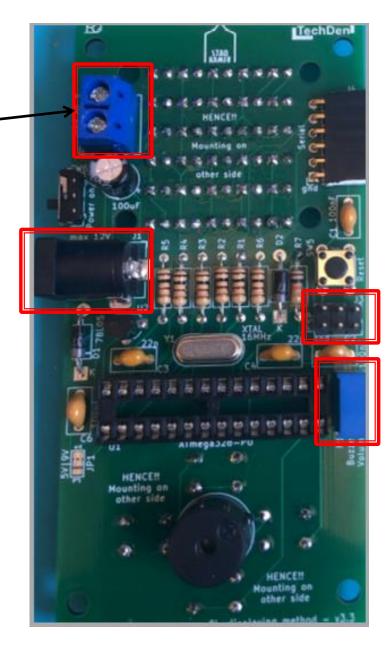

Achterzijde

*Let op polariteit* 

8 – Connectors & Potmeter

Openingen naar buiten

## 9 - Arduino Chip

### Achterzijde

Let op positie & Alle pinnen "aan boord"
